

NAPSA 2024 ANNUAL CONFERENCE REQUEST FOR WORKSHOP PROPOSALS

NAPSA is now accepting workshop proposals for the 51st Annual Conference and Training Institute to be held at the New Orleans Marriott, September 8-11, 2024.

Workshop proposal deadline is May 24, 2024.

The NAPSA Conference and Training Institute provides participants with the opportunity to review the foundations of pretrial, learn the latest research findings, hear about the implementation of evidence-based practices, and understand current opportunities available to those working in the field. The goal of each workshop should be to provide attendees with information, tools, or action items that they can take home and use in their own jurisdiction.

Conference attendees include pretrial services and diversion program staff, judges, prosecutors, defense counsel, law enforcement, advocacy organizations and policy makers.

We will be hosting over sixty, 50-minute workshops during the conference. We recognize that some topics require more than 50 minutes; therefore, the conference will feature two types of workshops: Regular, which will run for 50 minutes, and Extended, which will run for two 50-minute sessions. We may also repeat some workshops on multiple days.

To submit a proposal for consideration, please click [HERE](#).

All proposals will be reviewed by the NAPSA Education Committee which will select those that best meet attendee needs to provide information that is relevant, practical, and enables attendees to build skills, increase competencies and enhance pretrial justice in their home communities.

Preferences will be given to proposals that incorporate adult learning principles in their methodology (i.e., exercises, audience participation, action planning) or that present new research findings. Workshops that highlight the successful implementation of evidence-based pretrial practices in a particular jurisdiction or series of jurisdictions should also address how those practices can be implemented in other jurisdictions. Each workshop should allow time for questions and answers.

Please note that NAPSA does not pay fees, travel or hotel costs, or waive conference registration fees for workshop presenters. Conference registration fees are not required for presenters who are present only for their own workshop. Reduced conference registration fees are available to presenters attending workshops or other events other than the workshop they are presenting.

WORKSHOP PROPOSALS ARE DUE MAY 24, 2024.
