

**National Association of Pretrial Services Agencies
50th Annual Conference and Training Institute
September 17-20, 2023
New Orleans Marriott**

CONFERENCE REGISTRATION IS NOW OPEN!

Please join us in New Orleans to help us celebrate our 50th Anniversary! We will be at the New Orleans Marriott in New Orleans, September 17-20, for our 50th Annual Conference and Training Institute. Recharge your passion, network with your peers and be a leader for pretrial justice!

We are proud to be the only national pretrial services association that offers an annual training institute featuring over 60 instructional workshops. The workshops, combined with lessons learned in the plenary sessions, provide participants the opportunity to review the foundations of pretrial justice, learn latest research findings and discover new programs and evidence-based practices from others working in the field.

The conference offers nationally renowned scholars, practitioners and presenters to deliver information to elevate the national discussion of the need for pretrial services and the incredible work being done by pretrial professionals at the local, state and federal levels.

We invite pretrial services and diversion program staff, judges, prosecutors, defense counsel, court administration, policy makers, researchers and advocates to join us at the New Orleans Marriott.

Your voice and your profession matter. Be here and be heard.
